Rob Demille

Rob Demille is pleased to announce his intention to seek the Ontario Progressive Conservative nomination for the riding of Guelph.

Rob graduated with honours from WLU's Political Science program and lives in Guelph. Rob, 29, has worked for the past five years in a State Farm family insurance and financial services agency, where he is the Assistant Manager. He considers his work to be about helping families protect what is most important to them and realize their dreams. His community involvement reflects this interest. He is a member of the Property Standards Committee for the City of Guelph and a Second Lieutenant with the Canadian Forces Reserves.

Rob has been active in Ontario politics since high school. He was a founding member of the PC Youth party for Halton, sat on the Executive of the Halton Riding association, and was the vice-president of the Laurier campus PC Association for four years.

Rob says he will be an active advocate for all citizens in ridding the Province of the high tax approach of the McGuinty Liberals. "With my experience in government and business, I look forward to serving the people of Guelph and helping to clear up the problems the Liberals have created." In particular, he feels that "Higher taxes are hurting everyone, but especially young families, new Canadians and those seeking a fresh start. I look forward to working with Tim Hudak to change that."
